Dear Friends, Prayer Partners, and Financial Supporters,

Thank you for your faithful support and consistent prayers for the work being performed in the north Frederick County area. God is still working and growing His people. We praise Him for it!

We continue to be hard at work preaching the Gospel to the lost and teaching God's Word to the saved. Since the last letter we have partnered with a local church of like faith to minister at the Great Frederick Fair. We were blessed to deplete our stash of tracts and were able to order new ones! On top of this, we were blessed to obtain many new prospects and see some accept Jesus Christ as their Savior. In addition, we had a church yard sale and were able to give out the Gospel to most of the people that stopped by. We even got to preach the Gospel a few times and get rid of much of the excess that was laying around the property.

Thank you for praying for us as we disciple new converts. We have several that we are working with and many of them are growing in the Lord. James is blessed to work with two gentleman in the prison that are steadily growing. It is wonderful to see God's Word change lives!

Thank you for praying for all of us as we serve the Lord in this area. It is so easy to get discouraged and weary doing the work of the ministry. Satan wants to tear us away and destroy God's work. We are blessed to have so many that let us know that they pray for us, love us, and encourage us to continue! We are praying that God will open the doors of the community and send families into our assembly to do the work of the ministry. It is the only way we will grow and become an autonomous church! Please pray for laborers with us!

Thank you for praying for our property sale. We continue to have inquiries, but no serious bites yet. In our eyes and understanding, the finances are tight and time is getting short. In God's eyes and understanding, He is right on time and all goes according to His plan. Please keep praying that God will deliver us from this debt.

Thank you for praying for James as he continues to write. Our discipleship material is now complete and the paper articles are continuing to make an impact on the community. It is a blessing to hear that people enjoy reading the preaching of God's Word! James now has a unique verse-by-verse study of **John 1-10** published and available for sale on Amazon.com. Through Amazon, we can also order paper copies of the workbook. These studies have helped every person that works through them to grow in the Lord. This is only because they point the reader to the scriptures. With God's help, we hope to get these in front of Bible institutes and pastors to encourage fellow believers.

If we had any other prayer requests, we would continue to ask that you pray that a local church would send a family or two to be with us for a year or two to do the work of the ministry. Is your church capable of sending a family to help us? It is biblical and possible. We believe that God would also bless you greatly for it. Would you be willing to pray about it? Thank you for your consideration, support, and friendship. God bless your faithfulness to the Truth.

Your Servants in Christ,

James and Sarah Bussard (Phoebe, Jimmy, and Andrea)
